

## **Coronavirus Notice, Waiver and Release**

YRHA takes seriously the threat to public health posed by the coronavirus pandemic and subscribes to the guidelines and recommendations issued by Montana's governor and public health officials to mitigate the spread of the virus. In accordance with those directives and guidance, we ask that at all times on the show grounds, both inside and outside of buildings, you practice physical distancing, which requires persons not of the same household to maintain physical separation of at least six feet and, where that is not possible or practicable, to wear a face covering. Because of the confined space of the show office, and to protect our office staff, only one person or group of persons from the same household will be allowed at the counter at a time. Others waiting to enter the office should line up outside, maintaining six feet of separation. If during the show you experience any of the symptoms of Covid-19, you must immediately isolate yourself and seek medical attention or return home as soon as possible. You are also advised that Montana's current coronavirus directives provide that (1) individuals entering Montana from outside the state or country for non-work-related reasons *must* self-quarantine for 14 days after their entry, during which period they will not be able to participate in such activities as a horse show; and (2) "vulnerable persons," defined as "persons over 65 years of age, people with serious underlying health conditions, including high blood pressure, chronic lung disease, diabetes, obesity, or asthma, and people whose immune system is compromised such as by chemotherapy for cancer or other conditions requiring such therapy," *should* (but are not required to) stay at home.
